

WELCOME TO THE SECRETS!

In this book we will talk about secrets.
These may spread far and wide across my website.

Secret 1:

Typing is important when it comes to fish on my site. There might be a big catfish named “thebigone” or “The Big One” without spaces or capitals followed by return. Or as losers call it “Enter”.

Secret 2:

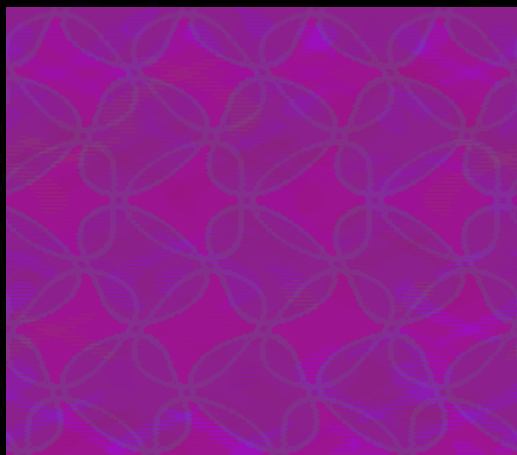

Wait, you already found this book.

Secret 3:

Click it.

Secret 4:

“Fight me.”
